

Fundraising is an essential and mandatory part of Competition!

The two main Fundraisers for this year, so far, are the Bingo on November 4 and the Beef-n-Beer on March 2. We are using the tiered form of obligation again. It seemed to work well last year and seems fair to all involved. Basket donations are not a requirement this year but will be gladly accepted. We are asking for more tickets to be sold instead. Dancers and parents will need to sign the bottom portion of this sheet and hand it in immediately. We need to be sure that everyone understands their fundraising obligation. Tickets for the Bag Bingo will be available for purchase next week. Please be sure to get them quickly as we have a 300- ticket limit. First come, first serve. There will be plenty of tickets available for the Beef-n-Beer. Thank you

Dancers performing in only **1 competition dance** for this season:
are required to sell **a total of 2 tickets** for either Fundraiser.

Dancers performing in **2-4 competition dances** for this season:
are required to sell **4 tickets total-**
example- 2 Bingo:2 Beef-n Beer/ 3 Bingo:1 Beef-n-Beer, etc

Dancers in **5-7 competition dances** for this season:
are required to sell **6 tickets total** for Bingo and Beef-n-Beer -
any combination

Dancers in **8-10 competition dances** are required to sell a
total of 8 tickets - any combination.

Dancers in **more than 10 competition dances** are required to sell a
total 10 tickets- any combination

We ask that all members try to sell more tickets than the requirement, attend each event and buy raffle tickets! The more money we raise, the more the kids can benefit. Please keep in mind, at all times, that this money is raised strictly for the competition dancers! They are all part of the team! Without the Parents' Association and their hard work with the fundraising program, competitions would be more expensive, and costume fees would be the parent's responsibility. It really does help!
Thank you, in advance, for your cooperation.
